

## European Perspectives on Disabled People =: Behinderte Menschen Aus Europaischen Blickwinkeln (European Social Inclusion)

The book is an optional module within the scope of a European Master course of study about European perspectives on social inclusion. From a German, English, Portuguese, Swedish and Hungarian point of view it focuses on reasons for the exclusion of disabled persons and ethical and legal struggle for a new ascertainment for inclusion. Social political and pedagogic concepts and interventions as well as visions and action strategies for a European social inclusion of disabled persons with full civil rights and unrestricted participation are further topics of the book.
