

Every Day Deserves a Chance: Wake Up to the Gift of 24 Hours

Suppose, neck deep in a tough day, you resolve to give it a chance. You choose not to drink, work, or worry it away. Instead, you decide to give it a fair shake. You trust more. Stress less. Amplify gratitude. Mute complaints. Before long, the day is done and surprisingly decent. So decent, in fact, that you resolve to give the next day the same fighting chance. Despite hang-ups and bang-ups, giving the day a chance works! You do the same the next day, and the next. Days become a week. Weeks become months. Months become years of good days. In such a fashion, good lives are built. One good day at a time. Max Lucados goal in Every Day Deserves a Chance is to help you have that good day every day.
