Moira is able to see something few others see: the aura that surrounds people. What she doesn't understand is what it all means. And then she meets Arianna, who definitely knows what it means. Arianna recognizes Moira's unique gifts, and she isn't going to let them go to waste, regardless of Moira's consent. This is a novel of 75,000 words. It is set in the Fox-iverse, but the werewolf and werewolves are mentioned only in passing.
