

Deadly Intentions (Blackmoore Sisters Cozy Mystery Series) (Volume 5)

What really happened to Johanna Blackmoore seven years ago? Jolene Blackmoore has been asking that question about her mother's mysterious death for a long time ... and now she's determined to get an answer. Little does she know, her quest will change the course of her and her three sisters' lives forever. A magical locket, a long-estranged aunt that shows up out of the blue, and a diabolical bad guy all play a part in pulling the girls into the heat of danger, and they are forced to put their newly-found paranormal skills to the test in a battle where losing could be deadly. Before it's all over, friends might turn out to be enemies, enemies might turn out to be friends and a long hidden secret about the girls' ancestry will come to light. Will they finally discover the shocking truth of what really happened to their mother?
