

One-on-One Discipleship

When Jesus called His disciples, He said, Follow Me. Discipleship--Jesus lived the ultimate example. He didnt follow a curriculum or meet once a week in a group.

He just let His disciples walk with Him, share His life, and reflect on His words. As you walk with Jesus, why not invite someone whose spiritual journey has just begun to come along with you? You dont have to know all the answers. You dont have to be super-spiritual. You certainly dont have to be in full-time Christian work.

But you do have to be willing to invest your life in anothers. If you want encouragement to follow Christs example, this study will help you understand and live the life of discipleship. When you do, you can say like Paul did, Follow me as I follow Christ. (I Corinthians 11:1)
