

## Forgotten Voices of the Second World War: D-Day and Beyond

Taken from the archives of the Imperial War Museum and new voice recordings, this collection of audiobooks tells the real story of WWII from the men and women who were there. D-Day and Beyond covers June 1944 - May 1945, and looks specifically at D-Day, the liberation of Paris, the Allied advance into Germany, the Russian advance towards Berlin, the deaths of Hitler and Mussolini, and the end of the War.
