

Savor: Living Abundantly Where You Are, As You Are

Sink deep into the everyday goodness of God and savor every moment! In this daily devotional, Shauna Niequist becomes a friend throughout the audio, sharing her heart with yours, keeping you company, and inviting you into the abundant life God offers. And there are recipes, too, because spiritual living happens not just when we listen and pray, but also when we gather with family and friends over dinners and breakfasts and late-night snacks. These recipes are Shaunas staples, and each one should be enjoyed around a table with people you love. So listen and learn and pray and cook and share. Remember to savor each day, whatever it holds: work and play, coffee and kids, meals and prayers, and the good stuff and the hard stuff. Life is all about relationships, and your daily relationship with God is worth savoring in every moment.
