

As A Men Thinketh

All that a man achieves and all that he fails to achieve is the direct result of his own thoughts. As the physically weak man can make himself strong by careful and patient training, so the man of weak thoughts can make them strong by exercising himself in right thinking. The vision that you glorify in your mind, the ideal that you enthrone in your heart - this you will build your life by, this you will become. A mans mind may be likened to a garden, which may be intelligently cultivated or allowed to run wild, but whether cultivated or neglected, it must, and will bring forth. James Allen
