

## Freedom From Diabetes Type I & II: What Everyone Ought To Know About Diabetes (Second edition) (Pool of Bethesda) (Volume 9)

In *Freedom From Diabetes Type I & II*, Dr. Campbell offers an all-natural diabetes treatment program for reversing diabetes. You can find your diabetes solution naturally (without drugs) and feel better-naturally! There are over 150,000 Pool of Bethesda books in circulation! Diabetes is a common condition that affects 25.8 million children and adults in the United States. 8.3% of the population. Diabetes also increases the risk of heart disease, the number one killer of people worldwide, claiming an estimated 17 million lives each year according to The World Health Organization. Those with diabetes also have a much higher rate of having high blood pressure and strokes. It is estimated that 68 million adults over the age of 18 have high blood pressure and of those only one third are getting treatment, and only half have their blood pressure under control. Roughly 67% of those with diabetes also have elevated blood pressure. In the *Freedom From Diabetes Type I & II* book, we will give you the insights and tools needed to overcome this disease. We will tell you what your doctor may not tell you about diabetes. So is there good news? Yes, diabetes is treatable (and preventable), and today you can take implement the strategies that will help bring you freedom. God wants you to be healthy. Now you can have a source of information that will help you become healthier in mind, body and spirit.
