

The Complete Works of Friedrich Nietzsche: The First Complete and Authorized English Translation, Vol. 11 (Classic Reprint)

By Mrs FOSTER-Nietzsche. HOW ZARATHUSTRA CAME INTO BEING. ZARATHUSTRA is my brother's most personal work; it is the history of his most individual experiences, of his friendships, ideals, raptures, bitterest disappointments and sorrows. Above it all, however, there soars, transfiguring it, the image of his greatest hopes and remotest aims. My brother had the figure of Zarathustra in his mind from his very earliest youth: he once told me that even as a child he had dreamt of him. At different periods in his life, he would call this haunter of his dreams by different names; but in the end, he declares in a note on the subject, I had to do a Persian the honour of identifying him with this creature of my fancy. Persians were the first to take a broad and comprehensive view of history. Every series of evolutions, according to them, was presided over by a prophet; and every prophet had his Hazar his dynasty of a thousand years. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
