

Miscellaneous and Fugitive Pieces, Vol. 1 (Classic Reprint)

Excerpt from Miscellaneous and Fugitive Pieces, Vol. 1 This is a Treatise consisting of Six Letters upon a very difficult and important Question, which I am afraid this Authors Endeavours will not free from the Perplexity, which has intangled the Speculatists of all Ages, and which must always continue while we see but in part. He calls it a Free Enquiry, and indeed his Freedom is, I think, greater than his Modesty. Though he is far from the contemptible Arrogance, or the impious Licentiousness of Bolingbroke, yet he decides too easily upon Questions out of the Reach of human Determination, with too little Consideration of mortal Weakness, and with too much Vivacity for the necessary Caution. In the first Letter on Evil in general, he observes, that, it is the Solution of this important Question, whence came Evil, alone, that can ascertain the moral Characteristic of God, without which there is an End of all Distinction between Good and Evil. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
