

Saving Freedom: We Can Stop Americas Slide Into Socialism [With Headphones] (Playaway Adult Nonfiction)

The United States the worlds great bastion of freedom is sliding toward socialism. Recent high-profile bailouts show the walls between government and the private sector are getting thinner each day. Federal control now extends in various ways to education, healthcare, financial markets, real estate, businesses, and religion. And as out-of-control government spending and debt increase accordingly, America is drained of the economic and political strength its people fought and worked so hard to achieve. But it isnt too late to save the land of the free. Saving Freedom is Senator Jim DeMints firsthand account of the unsettling socialist shift behind-the-scenes actions in Congress that are changing the character of our nation. He illuminates key principles of freedom and how they are being compromised by big government. More important, DeMint lays out a complete action plan to reclaim Americas freedom based on legislation that would reduce debt, fix Social Security, and provide a tax credit for every family to buy health insurance. The plan also emphasizes reversing Americas cultural decline by restoring a strong spirit of God and country. Endorsements: Saving Freedom is a new Declaration of Independence, a call for the American people to reclaim America. Jim DeMints passion for the cause of individual liberty and person Saving Freedom is a new Declaration of Independence, a call for the American people to reclaim America. Jim DeMints passion for the cause of individual liberty and personal responsibility is evident in this manifesto. It needs to be read and acted upon by every citizen of this republic. Newt Gingrich, former Speaker of the U.S. House of Representatives Jim DeMint has delivered a how to plan for avoiding a future that we neither want nor deserve. For those of us who want to keep America the land of the free and the home of the

brave, Saving Freedom is a must read! Oliver North, USMC (Ret.), author of New York Times best seller American Heroes Once again, as we did in 1776, Americans must choose between freedom and oppression. In Saving Freedom, Jim DeMint describes the clear and present danger posed by big government - and what we must do to preserve individual liberty and personal responsibility. Every American needs to read this book. Sean Hannity, host of the Sean Hannity Radio Show and Hannitys America on FOX News Channel Its comforting to know that someone like Jim DeMint is standing in the gap as we see so many of our nations founding principles eroding. I view Saving Freedom as a blueprint for the effort that all concerned Americans must join to restore and protect the freedoms we depend on.
