

Abraham - Father of many Nations

It is evident in the Genesis account that Abram had a religious encounter with a new Deity that was a life changing and revolutionary experience. So radical was the encounter that Abram even heard the voice of his new God, and the message was extremely challenging. How long this new found relationship had been going, whether recent or substantive is curious, but his new God appeared to him and said, Get out of your country and from your people and come into a land that I will show you- Acts 7:2. Thus the journey for Abram began.
