

## Getting Started With the Traits: 3-5

For intermediate-grade teachers who want to weave the traits into their writing program but are unsure where to begin, help has arrived! This book contains just what they need to get started: trait-focused lessons, activities, reproducibles, scoring guides, conference comments, scored sample papers, children's book lists, and teaching tips. But Culham and Coutu do more than provide stuff; they provide reliable, levelheaded, easy-to-follow advice on applying the traits so teachers begin seeing results in their students' work from day one.
