The General Assembly of the Commonwealth of Pennsylvania at the session of 1887, passed the following:

1. Be it enacted, &c., That the sum of one hundred and twenty-one thousand five hundred dollars, or so much thereof as may be necessary, be and is hereby specifically appropriated out of any funds of the State Treasury for the purpose of perpetuating the participation in, and marking, by suitable memorial tablets of bronze or granite, the position of each of the commands of Pennsylvania volunteers engaged in the battle of Gettysburg.
3. That immediately after the passage of this act the Governor shall appoint five Commissioners, whose duty it shall be to select and decide upon the design and material for monuments of granite or bronze to mark the position of each Pennsylvania command upon the battlefield of Gettysburg, and the said Commissioners shall serve without compensation, and they shall co-operate with five persons representing the survivors of the several regimental organizations or commands of this State engaged in the said battle, in the location of the said monuments and the selection thereof, and when such monuments shall be completed and properly erected the Auditor-General shall upon proper voucher to be presented by the said Commissioners, draw his warrant upon the State Treasurer for the sum of fifteen hundred dollars, which sum is hereby appropriated for the payment of the monument of each Pennsylvania command or organization participating in said battle; and should the survivors of any of the said commands fail, for a period of twelve months after the passage of this act, to agree upon the location or to co-operate with the said Commissioners as provided herein, then the said Commissioners shall have a suitable monument erected, of the material

aforesaid, to mark the position of such Pennsylvania command on the said battlefield, and a warrant for the cost thereof shall be drawn by the Auditor-General in the manner hereinbefore provided.
