

## Go Back

The prequel story to the full length novel, Underlife, which is now available to buy. Thomas Youngs life is spent alternating between work and the hospital, where his seven-year-old son, David, is being treated for leukaemia. The responsibility of a sick child has put a strain on his marriage and now Tom is terrified of losing not only his son, but his wife, Abby, as well. After being found living on the streets as a child, and with no memory of a life or family before that time, all Tom has ever wanted is a happy, healthy family of his own. Now even such a simple dream feels as though it is slipping away. But, one night on the London Underground changes everything. When the train hes on comes to a halt in the dark, Tom finds himself alone and frightened. But there are people with him in the dark, people who dont want to be seen, and Tom cant help feeling that the graffiti hes seeing everywhere has been written for him... Please note: Go Back is a novelette length story at approximately 10,000 words or 40 print pages. Also included are the first three chapters of the subsequent novel, Underlife.
