

Goethes Torquato Tasso: Edited for the Use of Students (Classic Reprint)

Excerpt from Goethes Torquato Tasso: Edited for the Use of Students IN preparing this edition of Goethes Stafio, I have addressed myself rather to the student of literature, the student of Goethe, than to the student of the German lan guage in and for itself. The book is not intended for beginners in German, but for such readers as have already become familiar with the every-day facts of the language. The grammatical and lexical notes are therefore few in number, and deal only with what is peculiar or exceptional. Translations are also given but sparingly, it being the editors Opinion that much help of that sort is baneful. Usually, where it has seemed necessary to give assistance with regard to the meaning of a passage, I have preferred to do so by means of a paraphrase, leaving to the student the valuable exercise of working out for himself a correct and felicitous translation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
