

Good Girls Dont Have to Dress Bad: A Style Guide for Every Woman

We care about how we look. Why is that? Because were women, and women love to look and feel good. God made us that way. And this is not a bad thing. In fact, its a wonderful thing. God loves beauty. He doesnt want us to reflect his image being sloppy, disheveled women of God who dont pay any attention to what we look like. Good Girls Dont Have to Dress Bad will show you how to look and feel your best, no matter what day it is or what the occasion. And it will also stop you from screaming at the top of your lungs, I have nothing to wear! In Good Girls Dont Have to Dress Bad, Shari Braendel teaches you how to appreciate the body God gave you and how to always look your best-from conquering the battle of finding the right swimsuit, to choosing how many bangles you should wear or how big your purse should be, to wearing the right style jeans that will best flatter your thighs or hips, to finding the best places to shop to suit your unique personal style.
