

GOVT 2 (with Political Science CourseMate with eBook and InfoTrac 1-Semester Printed Access Card) (Available Titles CourseMate)

Focusing on the current and historical conflicts and controversies that define America as a nation, GOVT 2 is a streamlined and extremely current text for the American Government course. Its motivating debate theme and appealing magazine-like format speak directly to today's student. A new chapter feature--Our Government's Response to the Economic Crisis--helps explain the current economic downturn and the ensuing economic policies. As part of the 4LTR Press, GOVT 2 was created through a student-tested, faculty-approved review process. It is an accessible, affordable approach to the course that accommodates the diverse lifestyles of today's learners through its full suite of learning tools. These tools--correlated to the text chapter-by-chapter--include chapter-in-review cards, video, simulations, podcasts, and quizzes that allow students to learn and study wherever they are and whenever they have time.
