

Hope on a Tightrope

You cant lead the people if you dont love the people. You cant save the people if you dont serve the people. The New York Times bestselling author of Race Matters and Democracy Matters offers provocative, open-hearted wisdom for our times. In a world that yearns for unarmed truth and unconditional love, in the midst of cold greed and blind hatred, Hope on a Tightrope offers a new compass. This courageous collection will challenge all those in search of new perspectives and provides deep wells of inspiration that marry the mind to the heart. Whether writing on race and identity, courage and faith, or music and philosophy, Dr. West reveals himself as a brilliant philosopher who loves us enough to make us think. He challenges us, stimulates us and never, ever stops serving us. As you read the book, allow yourself to contemplate Dr. West's wisdom. Let him become your intellectual and spiritual sparring partner, and stand on his shoulders to gain a new view of the world and your place in it.
