

Telling Your Tale: A Beginners Guide to Writing Fiction for Print and eBook

NOTE: An expanded 2016 edition is available, Look for Telling Your Tale: A Beginners Guide to Writing Fiction for Print and eBook- Integrated Book and Workbook Edition. *** Telling Your Tale: A Beginners Guide to Writing Fiction for Print and eBook is a 10-week writing class in ONE eBook! Telling Your Tale: The Beginners Guide to Writing Fiction for eBook and Print is for you if You want to write a book, but dont know how to get started. Telling Your Tale can help you learn. Youve written a book, but youre concerned because somebody told you it wasnt good enough. Remember its just their opinion. You may never be able to change it, but Telling Your Tale can help you get better at the craft of writing. Youre writing a book, but you dont think you can finish it. You can. You just need a little push in the right direction. Telling Your Tale gives you that push. In todays age of eBook and POD (print on demand), the doors to publishing have widened to allow greater entry. While major publishing houses continue to be a prime outlet for authors and their stories, those publishers no longer stand as gatekeepers to determine which books readers get to see and which ones are barred from bookshelves. In todays age, readers are the gatekeepers and writers have direct access to them through eBook and POD delivery mechanisms. No matter how you get to your books to readers, one thing remains constant: You must write a good book. This is where Telling Your Tale: The Beginners Guide to Writing Fiction for Print and eBook comes in. Using engaging exercises, illustrative examples and inspiring advice, Telling Your Tale will help you find your writing voice and personal style, develop multi-dimensional characters who reflect todays diverse communities, and weave plots that keep readers turning the pages. Consider purchasing the companion workbook for Telling Your Tale: The

Beginners Guide to Writing Fiction for Print and eBook. The workbook contains all the worksheets and exercises from the book and allows you to download them in writeable Word and PDF formats. Telling Your Tale: The Beginners Guide to Writing Fiction for Print and eBook was previously published as Telling the Tale: The African-American Fiction Writers Guide. The new edition has been refreshed to reflect the eBook revolution and lessons learned in the ten years since the first edition was published. [Benson's] writing advice is constructive and sincere; writers would be well-advised to follow her advice and practice their craft by completing the exercises in the book. Benson knows her stuff, and her wonderful reference book for African-American fiction writers would be equally useful to writers of any ethnicity. WritersWrite.com on Telling the Tale: The African-American Fiction Writers Guide Angela Benson is a bestselling, award-winning author of 12 novels and two novellas. Her work has been published by six major publishers, including Harlequin, Tyndale House, Berkeley and HarperCollins. She holds a doctorate in instructional technology from the University of Georgia as well as math and engineering degrees from Spelman College and Georgia Tech, respectively. Dr. Benson is an associate professor of educational technology at the University of Alabama.
