

The White Wolfs Son: The Albino Underground (Elric Saga)

The multiple award-winning author of *The Dreamthiefs Daughter* and *The Skrayling Tree* delivers a stirring new novel in his beloved Elric the Eternal Champion saga. When Una, granddaughter of Oona the Dreamthiefs Daughter and Count Ulric von Bek, is left alone at the family house in Yorkshire Dales, all kinds of strange visitors start appearing. They believe that she will lead them to the White Wolfs son, control of whom will give them immense power. They are also searching for The Runestaff, a manifestation of the Holy Grail that Unas family has protected for centuries. Only with the help of the White Wolfs son will Una be able to prevent the power of The Runestaff from falling into the hands of the most evil creatures in creation.
