A gripping addition to The Witch, The Wolf and The Vampire series by New York Times Bestselling Author, A K Michaels. Follow Joeys journey as he says goodbye to his life of luxury, with doting parents, and a sister he loves in Sin City. With each passing day he is more unsettled as his Wolf strives to live as its DNA is programmed: within a Pack. After all, its not just any Pack he wants. He is determined to join the very Pack that almost killed his father. He has no idea of the hardships ahead, but he faces everything with a deep resolve to gain his dream: Alpha status. Nothing less will suffice, even if he dies trying. Joey will give up everything to win his rightful place and seal his fate.
