

The Roar: Gods Sound In A Raging World

When God speaks, His voice Brings change. The foundation for life and prophetic ministry is communication with God. God likes to talk. He enjoys being with us and having conversations with us. He is pursuing us extravagantly, and He has extraordinary things to say. He loves to partner with us as we speak His words to bring about His purposes on the earth. Gods voice changes lives, births destinies, and sets people free to be who He created them to be. The world around us is raging, but Gods voice resounds through the chaos to bring about His divine purposes.
