

Spurgeons Sermons Volume 6: 1860 - Enhanced Version

Called the Prince of Preachers, Charles Spurgeon was a world-renowned preacher. At the young age of 22, Spurgeon was already preaching to audiences of over 10,000 people. Coming from a Reformed Baptist tradition, he emphasized the gospels and the demands of Christ upon believers lives in his sermons. This volume contains over 50 of Spurgeons powerful sermons from 1860. This volume is part of a series, which allows one to read Spurgeons sermons in chronological order. His sermons are never unduly complex or flowery, but immensely practical and encouraging. They are full of wit and concrete examples. Countless people throughout the world have profited from Spurgeons moving words. Tim Perrine CCEL Staff Writer This edition features an artistic cover, a new promotional introduction, an index of scripture references, links for scripture references to the appropriate passages, and a hierarchical table of contents which makes it possible to navigate to any part of the book with a minimum of page turns.
