

## The Six Senses in a Nutshell: Demonstrated Transitions from Bleak to Bold Narrative (Writing in a Nutshell Series Book 3)

Have readers told you that they can't seem to get into your novel? That could be because it lacks the sensory information required to effectively hook your readers' attention. Would you like to remedy this? Then this is the book for you! In *The Six Senses in a Nutshell: Demonstrated Transitions from Bleak to Bold Narrative* you will find eleven real scenes which illustrate how utilizing the six senses can bring your writing to life. In each demonstrated transition you will find a BLEAK passage (prose lacking sensory information), and a BOLD passage (the BLEAK passage revamped to make it more appealing by utilizing sense in an indirect and/or stimulating way). Writing exercises are also provided. Not only is this pocket guide an excellent learning tool for aspiring writers, but it is a light, convenient, and easy solution to honing your craft no matter how broad your writing experience. With the convenient hyper-linked Contents Page, you can toggle backward and forward from different scenes with ease. Use your e-readers highlighting and note-taking tools to keep notes as you read, and/or record your story ideas, anywhere, anytime.
