

Experiencing Gods Presence (Jesus Calling Bible Studies)

After many years of writing in her prayer journal, missionary Sarah Young decided to be more attentive to the Saviors voice and listen for what He was saying to her. The result was Jesus Calling, a collection of personal reflections based on Jesus own words of hope, guidance, and peace found in the Scriptures. Through these messages, countless people have been encouraged to experience a deeper relationship with the Lord as they also learn to listen for His voice in the pages of the Bible. In Experiencing Gods Presence, the first study in the Jesus Calling Bible Study Series, you will be encouraged to lay down your cares and just spend time each day with your heavenly Father. As you follow the Lords instruction to be still, and know that I am God (Psalm 46:10), you will encounter His peace, be filled with His strength, gain a new perspective on your situation, and experience the full life that only He can provide. Each of the Jesus Calling Bible Studies include devotional readings from Jesus Calling, selected passages of Scripture for reflection, Bible Study questions, and additional questions and activities to help you apply and live out the material. This study can be used for personal reflection and Bible study or in a small-group setting.
