

Beloved Disciple - Audio CDs: The Life and Ministry of John

Beloved Disciple: The Life and Ministry of John - Audio CDs by Beth Moore contain the audio portion (11 CDs) of the teaching segments in this Bible study for women. The set comes in a CD-size zipper case and a PDF of the listening guide is included on the first CD. Great for extended groups, catch-up sessions, or leader/participant personal review. A Note from Beth Moore Every disciple and early follower of Christ left a legacy for future believers. Johns legacy was love. Perhaps like no other disciple, John understood that relationship is the point. Every command of Christ and call to obedience is to enhance relationship and place the recipient in a posture the Giver can bless. This study is about finding our way to the heart of Jesus and reclining so closely that our pulse begins to throb in tandem, loving what He loves and hating what He hates.
