

The Family God Uses: Leaving a Legacy of Influence

The divide between generations has never been greater. In *The Family God Uses*, the Blackaby family provides churches and families with a tool to intentionally bring families back together by challenging them to creative involvement in ministry and missions. Through the stories of Christian families who have accepted God's challenge to be involved in His kingdom work locally and around the world, your family will be inspired to work together and serve together with Christ in the center. Your family will see the possibilities of what can happen through them as you seek the Lord together.
