

The Caller (The Organised Crime Team series) (Volume 1)

The first gripping book in The Organised Crime Team series by NY Times bestselling author of the Justice series, M A Comley and co-author Tara Lyons, author of In The Shadows. When The Caller rings... what would you do? The Organised Crime Team is a newly-formed unit with one of the toughest tasks in London. Led by DI Angie North, their first investigation is a cold case that has foxed several officers in the Met for months. After Angie holds a TV appeal regarding the case, a number of similar aggressive attacks are brought to her attention. The team call on their contacts on the street for help. Their interest is sparked when several local names surface. To bring the criminals to justice a member of the Organised Crime Team is asked to risk their life in a dangerous covert operation.
