

The Little House Books: The Early Years Collection

The set includes: Little House in the Big Woods, Little House on the Prairie, On the Banks of Plum Creek, By the Shores of Silver Lake, and The Long Winter. Little House in the Big Woods Wolves and panthers and bears roam the deep Wisconsin woods in the late 1870s. In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. Little House on the Prairie Pa Ingalls decides to sell the little log house, and the family sets out for Indian country! They travel from Wisconsin to Kansas, and there, finally, Pa builds their little house on the prairie. Sometimes farm life is difficult, even dangerous, but Laura and her family are kept busy and are happy with the promise of their new life on the prairie. On the Banks of Plum Creek Laura's family's first home in Minnesota is made of sod, but Pa builds a clean new house made of sawed lumber beside Plum Creek. The money for materials will come from their first wheat crop. Then, just before the wheat is ready to harvest, a strange glittering cloud fills the sky, blocking out the sun. Soon millions of grasshoppers cover the field and everything on the farm. In a week's time, there is no wheat crop left at all. By the Shores of Silver Lake Pa Ingalls heads west to the unsettled wilderness of the Dakota Territory. When Ma, Mary, Laura, Carrie, and baby Grace join him, they become the first settlers in the town of De Smet. And Pa begins work on the first building in what will soon be a brand-new town on the shores of Silver Lake. The Long Winter The first terrible storm comes to the barren prairie in October. Then it snows almost without stopping until April. Snow has reached the rooftops, and no trains can get through with food or coal.

The people of De Smet are starving, including Lauras family, who wonder how theyre going to make it through this terrible winter. It is young Almanzo Wilder who finally understands what needs to be done. He must save the town, even if it means risking his own life.
