

Loose Leaf for The Right Thing to Do with Connect Access Card

The Right Thing to Do: Basic Readings in Moral Philosophy is a companion reader to the best-selling text: The Elements of Moral Philosophy (0-07-8119065). Authors James Rachels and Stuart Rachels offer engaging, thought-provoking essays on compelling issues that students are familiar with and understand. This rich collection of essays can be used on its own for a course on moral philosophy, or it can be used to supplement other introductory texts. McGraw-Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructors homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training-support-students.html>
