

## Me: by Jimmy (Big Boy) Valente, as Told to Garrison Keillor: A Political Satire

Hes big. Hes bold. Hes brash. And as the new governor of Minnesota, Jimmy (Big Boy) Valente is the most compelling figure to appear on the state - and national - political landscape in decades. The new King of American Politics (and former UWA World Champion) tells all to best-selling author, public radio show host, and fellow Minnesotan Garrison Keillor in Me: By Jimmy (Big Boy) Valente - a brilliant, biting, and wickedly funny send-up of American politics. This is satire at its best, delivered as only Keillor can. Meet the fascinating Big Boy and join in on the wild ride!
