

God Strong: Exploring Spiritual Truths Every Military Wife Needs to Know

Currently, more than one million military wives care for their families and their homes, often while their husbands are deployed out of state or overseas for months at a time. These women can experience a roller-coaster of emotions, including disappointment, loneliness, and fear. Sara Horn, the wife of a navy reservist, understands the challenges these women face. She knows how to talk about faith and spiritual truths through the filter of military life. In her encouraging book, Horn shares her personal stories, as well as wisdom and anecdotes of other wives from all branches of service. She reminds readers that: God is in control. You can have joy, no matter what. Superwomen get grace, too. God knows where you hurt. Horn's reliance on Scripture and confidence in God's comfort during difficult times will remind military wives they don't have to be an army of one when they are God Strong.
