

Millers Collectables Price Guide 1997-98

Sales of this popular annual have more than doubled in the last few years - 90,000 copies were printed of the 1996 edition. The Guide, now in its ninth edition, covers every aspect of collecting, from traditional favorites to the latest trends. New features this year include crime fiction, milk bottles and desirable denim. Special attention is given to dinky toys and sci-fi, transistor radios and musical memorabilia. In the ever-popular ceramics section there is extended coverage of blue and white transfer ware, Russian ceramics and Royal Winton. From Art Deco to watches, fans to scientific instruments, there is something to suit every taste and every pocket. Every item shown appears with a price range and there is a wealth of practical collecting information.
