

## Miscellanies (Classic Reprint)

Excerpt from Miscellanies The several papers are arranged substantially in the order of their first appearance. One only, heretofore printed among Thoreaus writings, is omitted, for Prayers as Mr. Edward W. Emerson shows,1 was written by Mr. R. W. Emerson, and published by him in The Dial. The verses included in it were alone by Thoreau. The earliest production of Thoreau which has found its way into print appears to be an essay.
