

New Edition of the Babylonian Talmud, Vol. 6: Original Text, Edited, Corrected, Formulated, and Translated Into English (Classic Reprint)

Excerpt from New Edition of the Babylonian Talmud, Vol. 6: Original Text, Edited, Corrected, Formulated, and Translated Into English With the issue of this volume this section is almost complete (the last two volumes being in press), and I deem it my duty to express my heartfelt thanks to my patrons and supporters during the last three years, ever since my work was undertaken. Through their support I have been enabled to reach my present position. This is the first time in the history of the Talmud that an entire section of it was translated into a living and comprehensible language, making it easily understood even to a layman. The synopsis of each tract indicates where the most interesting ethical and folkloristic portions may be found, thereby rendering the various tracts readily understood, even by one who is not a student. Three years ago, when I made up my mind to begin this work, I scarcely dared hope that thirteen tracts of the most difficult part of the Talmud would be translated, more especially that seven of them, the most voluminous, would be published in the course of two years. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
