

## El Catecismo Menor Bilingue: Rvc / Esv (Spanish Edition)

Resumen El Catecismo Menor de Lutero es una herramienta básica para la instrucción en las Confesiones Luteranas; ofrece claras explicaciones y pruebas basadas en las Escrituras para beneficio tanto de creyentes nuevos como de los de toda la vida. Esta versión bilingüe en un conveniente formato paralelo usa la traducción Reina Valera Contemporánea (RVC) en español y la English Standard Version (ESV) en inglés. La RV es la traducción más popular entre los cristianos de habla hispana, y la que también usa La Biblia de la Reforma, la amplia Biblia de estudio en español de Editorial Concordia. Overview Luther's Small Catechism is a time-honored tool for instruction in the Lutheran Confessions, offering clear explanations and Scriptural evidence that benefit new and lifelong believers alike. This bilingual version with a convenient side-by-side format uses the Reina Valera Contemporánea (RVC) translation of Scripture in Spanish and the English Standard Version (ESV) in English. The RV is the most popular translation among Spanish speaking Christians, and the one used in CPH's comprehensive Spanish-language study Bible, The Bible of the Reformation.
