

On the Grand Trunk Road: A Journey into South Asia

Available for the first time in audio, Steve Colls trek across a socially and politically damaged South Asia. Best-selling author Steve Coll is one of the preeminent journalists of the 21st century. His last two books, the Pulitzer Prize-winning *Ghost Wars* and New York Times best-seller *The Bin Ladens*, have been praised for their creative insight and complex yet compelling narratives - and have put him on par with journalists such as the legendary Bob Woodward. Now, for the first time ever, the audio edition of *On the Grand Trunk Road* is finally available, revised and updated with new material. Focusing on Colls journeys in conflict-ridden India, Pakistan, Bangladesh, Sri Lanka, Nepal, and Afghanistan as a bureau chief for *The Washington Post*, *On the Grand Trunk Road* reveals a little-seen area of the world where violence, corruption, and greed have had devastating effects on South Asians from all walks of life.
