

Otherland: River of Blue Fire (Bk.2)

Otherland, an incredibly complex and detailed virtual reality, has appeared. Surrounded by secrecy, it is home to the wildest dreams and darkest nightmares of its users and its creators. Vast amounts of money have been lavished on it. The best minds of two generations have laboured to build it. And somehow, bit by bit, it is claiming the Earth's most valuable resource - its children. The story begun in OTHERLAND continues in this, the second volume of an astonishing series which is destined to become a landmark in imaginative fiction.
