Maggie is ecstatic to be celebrating her twin sisters wedding day at the beautiful Tenderfoot Lodge overlooking Wapiti Peak. The only thing that could tarnish the day is a complication with the arrangements. So when the flowers dont arrive on schedule, Maggies heart rate picks up and she has a terrible feeling something is wrong. She just has no idea how right she is. James Vaughn, owner of Flower Power, is murdered while Winona is picking up the delivery. Maggies first thought is that Winona was supposed to be the actual victim. Its too much of a coincidence that all of Winonas friends have already been targeted in murder plots or thievery. Theyve all escaped without harm so far. But how long can their luck last? **Pawsitively Fatal is approx. 230 pages and is the final story in The Silver Springs Cozy Mystery Series.
