

PBI Case Files: The Beginning - Episode One: A Paranormal Investigation Mystery Thriller Series

Francesca and Sarah Hollister are going to learn very quickly that the monsters that go bump in the night are very real, and very... sexy? After a night of drunken mishaps, the very human sisters find themselves in a tough situation that will change their lives forever. What they don't know is they have been groomed for this life since the day they were born. Each possess amazing skill sets that will give them the ability to adapt and survive the new supernatural world they've fallen into. As the newest recruits of the PBI (Paranormal Bureau of Investigation), they learn quickly there is no learning curve, and their lives will be forever put in danger as they work side by side with their new supernatural colleagues. They have each other, and Sarah is learning she has also caught the eye of a brooding, possessive vampire who happens to be on his own road to redemption. This is the pilot episode of PBI Case Files, a new paranormal mystery novella series that is sure to keep you wondering... what if? Please note, this is an episodic serial. It was written in novella format and is a part of a series. This book also contains adult content of a sexual nature.
