

## The 7-Step Guide to Authorpreneurship (Plan. Write. Publish!)

These 7 Steps are THE guide to approaching your writing career like a business. Whether you are writing fiction or non-fiction, multi-published or aspiring to publication, independently published or contracted with a publishing house, you need The 7-Step Guide to Authorpreneurship. This how-to handbook will guide you through each phase of your writing career to create a business that generates regular income while allowing you to do what you love. Loaded with well-organized information, plus practical tips and strategies, this guide will become a trusted resource you consult again and again as you build your career. In a market flooded with advice for writers, there are very few books merging the concept of being an author and an entrepreneur. This guide is the first to truly take authors from concept to execution. The end result is a blending of the entrepreneurial spirit with writing talent to create a successful business achieving the personal and professional goals writers aim for. Author, create your own success!

>>>Endorsed by Industry Professionals  
Very impressed by how clearly and thoroughly it walks the author through the process of publishing. Brilliant!  
Beat Barblan, Director of Bowker Identifier Services  
This book describes critical steps often overlooked in publishing primers...I recommend this book for all authorpreneurs who are serious about creating a successful publishing venture.  
Brian Jud, Author of How to Make Real Money Selling Books, Executive Director of the Association of Publishers for Special Sales  
By the time you've closed the back cover, you will have gained the foundational knowledge necessary to begin your career as a successful author.  
K.M. Weiland, International Bestselling Author and Writing Coach  
The 7-Step Guide to Authorpreneurship is a great resource for both self-published and

traditionally-published writers who are seeking a good overview to the publishing process, and want an easy-to-follow guide to publishing their book the right way. The book has simple yet effective strategies that will prove helpful for writers at all stages of their careers. Chip MacGregor, MacGregor Literary
