

Points de depart, Books a la Carte Plus MyFrenchLab with eText (multi semester access) -- Access Card Package (2nd Edition)

Streamlined for ease of use, focused on student outcomes. For use in high-beginner or one semester courses, this 10 chapter version of the bestselling elementary French text, *Chez nous*, stands apart from other first year French texts by carefully selecting lexical and cultural content for broad coverage within a highly disciplined framework. Changes to the Second Edition focus on enhancing student outcomes, including a new design, refinements to the scope and sequence, new strategy boxes, and new comprehension based grammar activities. **Balanced Approach** The user-friendly organization divides each chapter into three lessons that feature integrated lexical and grammatical presentations, sequenced practice, cultural information, and a culturally based skills activity. **Connect with Culture** - Thematically interrelated lessons closely integrate the presentation of lexical and grammatical content within interesting and culturally authentic contexts of France and the Francophone world. **Explore Grammar** - Grammatical presentations are streamlined to reduce the coverage of complex grammar points such as the subjunctive and the conditional. **Build Vocabulary** - Varied and appealing visuals and language samples present vocabulary in authentic everyday contexts. **Develop Skills** - Process approach to development of the four skills helps students become confident and proficient at carrying out a wide variety of communicative tasks. **Personalize Learning** MyLanguageLabs proven results will be available for elementary French courses! MyFrenchLab will be available for fall 2012 courses. This Books a la Carte Plus Edition is an unbound, three-hole punched version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class all at an affordable price. It comes

packaged with a 24-month access code to MyFrenchLab, which brings together in one convenient, easily navigable site a wide array of language-learning tools and resources.
