

## Queen Esther and the Ring of Power: Prophetic Voice for the End Times

This is an in-depth look at practical and prophetic meanings in the book of Esther. Esther, representing the morning star, is part of a symbolic story of how the people of God triumph after an evil force (Haman) obtains the ring of power and sets a date to completely destroy the people of God. The Lord places the story of Esther in the Bible as a special prophecy regarding the end times we live in and the imminent destruction of evil. About the Author Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russell goes wherever the Lord leads, whether its to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.
