

Acts (ESV Edition): The Church Afire (Preaching the Word)

How did Christianity become one of the most important religions in world history? To answer this question, we must begin with the book of Acts, which chronicles the tumultuous days of the early Church and the spread of Christianity in the years following Jesus' death and resurrection. In this insightful volume, Pastor Hughes leads readers to rediscover the history of the New Testament Church, examining key events in Acts such as the bold preaching of Christ's early followers, the dramatic persecution of Christians, and the perilous missionary journeys of the Apostle Paul. This encouraging commentary on a central book in the New Testament will challenge you to walk with Christ and serve him more effectively through the power of the Holy Spirit.
