

Memoir-Writing Magic!: Exciting New Ways to Turn Lifetime Memories into Book-Length Memoirs (Boot Camp for Christian Writers) (Volume 13)

When we write our memoirs, we share our lives, our struggles, our joys, and the lessons we've learned in order to help and encourage others. Whether you want to share a slice-of-your-life story with your family and friends, or with the entire world, let me show you some exciting new and unique ways to turn lifetime memories into book-length memoirs! In this book, you'll learn from my 35 years of writing and publishing books. I have written many memoirs, and each has been published with a big-house traditional publisher! I'll teach you how to craft memories from your life into well-written and meaningful book memoirs that are creative, interesting, and will keep your readers eagerly turning the pages! I'll teach you how to invite your reader to step into your life's story, fully experience it, and learn from its magic. This workbook is included in the Boot Camp for Christian Writers workbooks, and is available in print book and e-book.
