

The Write Great Fiction Collection Bundle

SPECIAL SHRINKWRAPPED BUNDLE!
The tools you need to take your fiction to the next level are all right here with the Writers Digest Write Great Fiction Collection. From creating irresistible plots and rich characters, to crafting engaging dialogue and authentic settings, to techniques to help you polish your manuscript off before submitting it for publication, you'll have your bases covered with this series of five books each devoted to a specific aspect of the craft of fiction writing. Plot & Structure by James Scott Bell shows you how to develop a believable and engaging plot that keeps readers enchanted from beginning to end. Characters, Emotion & Viewpoint by Nancy Kress delivers proven methods for creating characters readers will believe in with scenes that deliver emotional impact. Dialogue by Gloria Kempton offers advice on writing dialogue that sizzles regardless of genre, ways to fix common problems and more. Description & Setting by Ron Rozelle helps you master the important, but often-overlooked subject of your story's setting and how it's described. Revision & Self-Editing by James Scott Bell gives you tips on how to successfully develop first drafts into a final draft as well as techniques that improve your chance of publication. Take your work from good to great with the Write Great Fiction Collection!
