

Rick Steves France 2011 with map

You can count on Rick Steves to tell you what you really need to know when traveling in France. With this guide, you'll explore sleepy villages, romantic hill towns, and cosmopolitan cities, including Paris, Avignon, and Nice. Climb the Eiffel Tower, wander world-renowned museums, and dine at sidewalk cafes. Then escape to the sunny countryside, where you can explore castles of all shapes and sizes or pedal your way from village to vineyard. With its Swiss-like Alps, Italian-style Riviera, and Germanic Alsace, France offers Europe's greatest variety. A good vineyard is never more than a stroll away. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.
