

Roaring Midnight: Macey Book 1 (The Gardella Vampire Hunters 6)

From NEW YORK TIMES and USA Today bestselling author Colleen Gleason, the long-awaited spin-off of the international bestselling Gardella Vampire Chronicles. Amid the glitzy age of Jazz, when gangsters and bootleggers control the cities, there lies another, more insidious threat: the undead. Macey Gardella is a typical young woman of the Roaring Twenties: she works a job, has her own flat, and loves to dance the Charleston. But when a mysterious man named Sebastian Vioget informs her she belongs to a family of vampire hunters, Macey is stunned and disbelieving. Yet, strange and frightening things begin to happen, and when Macey comes face-to-face with one of the fanged creatures, she has no choice but to believe Sebastian. And when she learns his own soul depends on her willingness to carry forth the family legacy and hunt the undead, Macey capitulates and joins the fight. As she begins to learn about her new calling, Macey encounters a handsome newspaper reporter known as Grady--who seems to know more about vampires than he should. And when he begins to ask too many questions, she has to juggle her strong attraction to him with the need for secrecy. Slipping into speakeasies and sampling bootlegged whiskeys, dodging gangster gunfire and trying to keep her nosy landlady from finding the stakes in her flat, Macey Gardella must navigate through a world of stunning violence, passionate romance, and dark betrayal...
